****There are services that the venue considers to be Key strategic services, which are Medical, Security, Safety, Electrical Systems, Rigging, Parking and Catering and have appointed Key supplier partners to manage these services, as highlighted in yellow.**
We have close, collaborative relationships with our Key supplier partners which means that you benefit from on-the-ground advise and venue knowledge, resulting in lower costs, improved management of risk, greater efficiency, better quality and ensuring an enhanced overall venue experience.
Each Key supplier partner has signed an SLA contract with the venue and has financially invested with infrastructure and equipment to ensure all deliverables are fulfilled. Only these identified Key supplier partners are able to provide those services to our organisers. **
